

**Government makes
businesses pay tax
before they've earned
money. Move the
payment date and
inject \$70 billion into
the economy.**

**Pay tax after you make a
profit, not before**

Provisional tax cripples small businesses. By moving the payment date and allowing businesses to pay tax at the end of the year after they've earned their money, instead of quarterly in advance, the United Australia Party will release \$70 billion into the economy. More money for schools, healthcare and infrastructure.
